Located Leak in Gas Main on Central
Avenue—Cattle Stamped on North
Main Street—Persons and Notes.

The leak in the gas main on Central
avenue which has been causing the
gas department considerable trouble
in locating was discovered on
Thursday morning. The leak was in
the middle of the street under the
trolley tracks. The leak was repaired
and the excavations filled in Thurs-
day. The one end of the street from
street and Central avenue was in all
probability killed by the escaping gas
which had been blowing the soil to
the roots of the trees.

Cattle Stamped on North Main Street
Considerable excitement was caused
Thursday noon when a herd of cattle
that were being driven along North
Main street, suddenly broke through
the fence and stampeded in the vic-
inity of Sixth street and stampeded.
The cattle scattered but were rounded
up with the exception of one which
went down North Main street at a
furious pace. Many pedestrians took
to doorways and any places of safety
that were handy. The animals were
stopped near Second street by John
Morrison.

DR. CHIPMAN WILL
FIRST BOARD BREMEN.

Duties as Port Health Officer Give
Him This Privilege Above Other
Citizens.

Provided the Bremen, the German
merchantman undersea boat, which is
undergoing to be crossing the Atlantic
from Germany to America, arrives in
New London port, Dr. Edwin C.
Chipman will be the first man in New
London or the United States to board
the craft. He is the health officer of
New London and the regulations order
that the health officer of the port shall
board at once and examine the crew.

In an interview with Dr. Chipman
in relation to the matter, he said that
duties would not involve any swim-
ming on his part to board the under-
sea craft. He believed, however, that
there would be no difficulty in board-
ing the brave submarine, that is, if she
makes port.

That hundreds of other New
Londoners who have expressed their
interest in the vessel and are eager to
welcome her to New London. It seems
that everyone desires to catch a view
of the boat.

AT THE DAVIS THEATRE
Vaudeville and Moving Pictures

An entirely new show and one that
is classed among "the best yet" open-
ed the last half of the week at the
Davis theatre on Thursday. Audiences
of large size were present and the
entertainment was of the highest
quality.

Robinson and Lemons, two colored
comedians, unusually clever in their
new line of stories and up-to-date
songs, proved the best drawing card
on the program. They have upon off
to insist on encores several times. An-
other act of merit was that presented
by the Dekoch troupe, sensational ac-
tobats. They did all kinds of stunts
and left a very favorable impression
with the audiences.

Closer at the Davis was the Triangle
photoplay feature. The usual two-
reel Keystone comedy film completed
the show. The Keystone was entitled
Wings and Wheels.

Call Bell System.

Pres. Somers Explains Referendum
Tells What it is and What it Means—Chart Shows How
Every Chamber in the United States Votes on National
Questions—Says Referendum Can be Settled in Forty-
five Days.

For the benefit of new members, of
prospective members and of the public
in general, President William A. Som-
ers of the Norwich Chamber of Com-
merce has written The Bulletin an ex-
planation of the word "Referendum" and
is now often asked by new members of
the Chamber of Commerce, said Presi-
dent Somers, concerning the referen-
dum, what it is and what it means.
The following will explain the ques-
tion.

The steps taken by the Chamber of
Commerce of the United States to
secure the views of business men in
the smallest city as well as the great
metropolis may be briefly out-
lined. When a question truly national
in scope is presented for consideration,
in the United States, the board of direc-
tors of the Chamber of Commerce, to a
carefully selected committee. The
committee's report is presented to the
board. Here it is reviewed by twenty-
five members of the board, who are
divided into sections of the United
States, who have different business
affiliations and varying ideas. The
board has the power to submit the
referenda.

After the votes of the organization
have been counted, the board of direc-
tors of the Chamber of Commerce does
not permit the matter to rest there. It
assembles these votes and makes
a chart, showing how every organiza-
tion in the country voted on the sev-

the Third Baptist church of Norwich.
Rev. William P. Davis, well known
in the city, has been called to suc-

RECRUIT IN NORWICH**

Is Instructed to Make One Trip a

Orders from Major General Leon-

by Adjutant General George M. Cole
headquarters at the Hartford army
and Major Morris B. Payne in charge
of the recruiting office at New
England Training Camp, said Thursday
that he would be pleased to donate \$50
to the fund.

"I do not, however," continued Mr.
Payne, "want to see any pro-German
or pro-ally celebration. It should be
a demonstration of the loyalty which
has been conferred upon the city. The
occasion should not be under the di-
rection of the German or their agents,
but should be a genuine municipal
